IDENTIFICATION NUMBER: C00434076

REFERENCE: JULY QUARTERLY REPORT (04/01/2012 - 06/30/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses the receipt of funds from your connected organization totaling \$5,481.69. 2 U.S.C. §441b prohibits the receipt of funds from national banks, corporations, and labor organizations. Under 11 CFR §114.5(b)(3), however, a separate segregated fund may be reimbursed for any solicitation or other administrative expense provided that the reimbursement is made no later than thirty days after the expense was paid by the separate segregated fund.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. Please provide further clarifying information regarding the date(s) on which the committee made payments for any solicitation or other administrative expenses.

To the extent that the reimbursement was made beyond thirty days after the expense was paid, you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to your connected organization of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from your connected organization for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. (11 CFR §103.3(b)(1))

Please inform the Commission of your corrective action promptly in writing and provide a copy of your check for any transfer out or refund. In addition, any transfer out or refund made should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the date on which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of a prohibited contribution, prompt action by your committee to refund or transfer out the amount will be taken into consideration.

2. Schedule A supporting Line 11(a)(i) of your report discloses receipts from "IUOE Membership, Local 478," "Operating Engineers 2012, Local 478," and "Operating Engineers 2012, Local 478 July" with additional information stating "\$.05 per hpur member contribution." Please be advised that federal regulations require the itemization of all contributions from individuals/persons that aggregate greater than \$200 in the calendar year. Contributions from individuals/persons that aggregate \$200 or less need only be disclosed on Line 11(a)(ii) of the Detailed Summary Page.

Please clarify whether the receipts disclosed on Schedule A includes any contributions that aggregate greater than \$200 from an individual/person in the calendar year. If this is the case, please amend your report by itemizing the contributions from each individual/person on Schedule A. (11 CFR §104.3(a)(2))

- Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. For your information and consideration when preparing future filings, Contributions to federal candidates and committees should be properly disclosed on a separate Schedule B, supporting Line 23 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing. (2 U.S.C § 434(b) and FORM 3X Instructions)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action

will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
